Forza 9

Forza 9 Gallery opened its doors this spring in the heart of Polis Chrysochous aiming to create a cultural platform where innovative artists can present their work to local and foreign residents, tourists and – through digital media – to other galleries and cultural centres in Cyprus and abroad. The interaction which results from exhibiting their work will help artists to further expand their scope and the audience has a chance to experience the diverse, trendsetting and creative activities of the cultural scene in Cyprus.

Forza 9 is open every day from 10am to 2pm and from 5pm to 9pm, and by appointment: call 99127428
